Appointment of ACT Shelter Executive Committee members

Requirements under ACT Shelter's Rules of Association

Under ACT Shelter's Rules of Association, the Executive Committee comprises the office-bearers of the association — (a) the chairperson; (b) the treasurer; and (c) the secretary — and may also include a deputy Chair and ordinary members.

There are no limits on the number of ordinary board members. A member cannot hold more than one position of the Executive Committee at the same time.

If *more than one* member is nominated for a particular Executive Committee member position, the members at the AGM must vote to decide who is to be elected to the position.

If *only one* member is nominated for a particular committee member position, the nominated member is taken to be elected to the position at the AGM.

If *no member* is nominated for a particular committee member position, the chair must call for further nominations to fill the position at the AGM. Where nominations are called for during the AGM, the chair may accept the nomination of a member only if:

- the nomination is supported by 2 members; and
- the nominated person consents to the nomination.

If more than one member is nominated for the position during the AGM, the members at the meeting must vote to decide who is to be elected to the position. If only one member is nominated for the position, the nominated member is taken to be elected to the position. If no member is nominated for the position, then the position is taken to be vacant.
